Re: April 2, 2019 Public Records Requests

Dear Mr. Schiano:

This letter is in response to your public records request dated April 2, 2019 (and June 3, 2019 follow-up) which is attached to this letter as Exhibit "A." We had originally responded by phone several months ago pointing out that your letter appeared to have been sent to this agency [the Arizona Corporation Commission] by mistake because it requested any and all records in the possession of the "Virginia State Corporation Commission." We had asked in that call that you clarify your intent with respect to your request. We did not hear back from you, but since that time we have received two emails which continue to request records of the "Virginia State Corporation Commission."

The Arizona Corporation Commission does not have any records of the Virginia State Corporation Commission relating to the Foundation for American Society in its possession. You will need to contact that agency for those records. Nevertheless, in the interest of bringing this matter to conclusion, we have responded to your request assuming that you meant to ask for any records in the possession of the Arizona Corporation Commission. We have found one record responsive to your request for documents related to the Foundation for American Society. That record is attached as Attachment "B."

We are providing this response without the assertion of any privileges. Please note that any waiver of privileges in this response does not constitute a waiver of any applicable privileges for future productions.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

/s/ Maureen A. Scott
